ABOUT AASHRYA FOUNDATION TRUST

Aashrya Foundation Trust, Giridih, Jharkhand is a dedicated body committed to transforming lives by providing accessible healthcare and quality education to the underprivileged communities empowering them to build a safer, healthier and brighter future. Our mission is to create equitable society where quality education and affordable healthcare are basic rights, not luxuries for every marginalized child, women and elderly people. Aashrya Foundation Trust is equally committed to driving social change by equipping women and youth with the skills, resources, and opportunities needed to escape poverty. Through targeted skill development, educational support, and livelihood generation initiatives, we empower disadvantaged communities to become self-reliant and thrive"

OBJECTIVE OF THE AWARD

The **Clinical Excellence Award** has been conceived to recognize the efforts of doctors, nurses, technical staff, healthcare CEO and other medical professionals who demonstrate exceptional skill, compassionate care, and a commitment to patient wellbeing, often going above and beyond their duty. Our aim is to highlight breakthroughs in medical research, pioneering diagnostic techniques, or new care models that improve healthcare accessibility and affordability.

THE CLINICAL EXCELLENCE AWARD 2026

“True healing goes beyond science; it requires a heart that cares. This award recognizes not just your unmatched clinical expertise, but the profound empathy you bring to every patient interaction. You have demonstrated that a comforting word can be just as powerful as medicine, serving humanity with dignity, kindness, and unwavering compassion. Thank you for treating the patient, not just the disease.”

“Excellence is not a temporary act but a habit, and you have set a new standard of care within our organization. By combining sharp intellectual rigor with selfless service, you have made a tangible, positive impact on the lives of countless individuals. This recognition is a tribute to your pursuit of excellence and your dedication to shaping a healthier future for all.”
